Rashida Jones In Solace London – The Turtle Conservancy’s Fourth Annual Turtle Ball

Rashida Jones’ love for prints was showing no sign of waning at The Turtle Conservancy’s Fourth Annual Turtle Ball on Monday (April 17) in New York City.

This Solace London Else dress is so interesting from its voluminous silhouette, enhanced by a bouncy cocoon sleeves, and an androgynous print which combine to make striking statement dress.

I’m glad she kept the belt to ensure the silhouette was kept in check and didn’t appear boxy, but I would’ve loved her hair worn up with this piece.
